Hi everyone,

I wanted to update the group that the due date for the Wainscott letter response is Feb. 22. We have a meeting scheduled on Feb. 14th to discuss our draft response. I assume we should aim to finalize by 2/18 to allow time for routing, final concurrence, and signature. The link to the blank document is included below.

Suilin – please let us know if this timeline needs to be adjusted.

Eric

Hi everyone,

As we discussed, sharing a link to a draft document for collaboration on the response to the Wainscott letter. Given the goal of a draft response by mid-February, I'm going to set a target of February 10 for a preliminary draft and will schedule a follow-up call to discuss progress / next steps.

Suilin – please keep us posted on the extension deadline.
